

BUCKINGHAMSHIRE FIRE & RESCUE SERVICE

Basic Fire Awareness Course For Schools

	Duration	1½ hours
Maximum number of students per course		25
	Location	On-site

Description

Course overview:

To provide staff with the necessary basic understanding of fire and fire procedures to assist the school with its legal obligations. The course is designed to provide a very cost effective way of training your staff with the minimum disruption to timetables.

To help staff to adopt measures to reduce the risk of an arson attack.

This course meets the minimum requirements under the Fire Precautions (Workplace) Regulations 1997.

Who should attend:

All employees as part of their induction or continuation training.

Objectives:

At the end of the course students will:

- **Be aware of the dangers of fire**
- **Understand what to do in the event of a fire alarm**
- **Be able safely to evacuate the building**

Content:

- **Fire procedures in the workplace**
- **Reducing the risk of arson**
- **Responding to the fire alarm**
- **Responding to an outbreak of fire**
- **Practical use of fire extinguishers**

Certificate:

All students receive a certificate of attendance
